ARBONNE AUTOSHIP PROGRAM AGREEMENT

The Arbonne Autoship Program ("Program") is an optional agreement by which an Independent Consultant or Client places a continuing (or "standing") product order to be charged against his/her credit card. By completing and signing this Arbonne Autoship Program Agreement ("Program Agreement"), Independent Consultants or Clients desiring to participate in the Program agree to the following terms and conditions:

- A. I will specify the quantity of products that I desire to receive on a monthly basis on the attached Program Agreement which is part of this Agreement.
- B. I will supply Arbonne International ("Arbonne"), in the space provided on the Program Agreement, valid VISA, MasterCard, Discover/Novus or American Express Card number(s) along with expiration date(s). All purchases made by me pursuant to the Program shall be paid by credit card.
- C. I understand and agree that the products selected on the Program Agreement will be sent to me at the address listed each and every month as I have indicated. Any changes I wish to make to my Autoship order must be made in writing and must be received by Arbonne at least 14 days prior to my next autoship shipment date in order to be processed in time. If my changes are received within 14 days of my next autoship shipment date, changes will be implemented after the next order has shipped. The method of payment I have selected will not be changed without my prior written notification.
- D. I understand that Arbonne may discontinue or implement price adjustments to the specific products that I have chosen to receive on my Program Agreement. In such situations, Arbonne will publish the relevant information in Arbonne publications and will continue to fulfill my Autoship order, unless I direct Arbonne to make other arrangements. Prices and shipping fees will be automatically adjusted to reflect any such amendments. I understand that I will receive a 100% refund on any product where the price has been increased if I notify Arbonne within thirty calendar days of the date of the product order, or the period specified by state law of the state where I reside for such refunds, whichever is longer.
- E. I authorize Arbonne to establish an automatic credit card debit arrangement as specified in the Program Agreement to pay for each monthly Autoship order (to cover product cost, shipping fees and sales tax). Arbonne will make no other charges to my credit card account except those that I have authorized. (Sales tax charges may fluctuate in accordance with changes in applicable sales tax rates). In order to prepare my product to ship on the indicated date, I understand that my credit card may be charged up to 7 days prior to the scheduled shipment date. I shall hold Arbonne harmless for all special or consequential damages, whether direct or indirect, resulting from any wrongful debit to my account.
- F. I understand and agree that this Agreement may be immediately terminated without notice if credit card(s) to which product purchases have been charged become expired, canceled, or otherwise terminated.
- G. I understand that I have the right to terminate this Program Agreement at any time, with or without reason. I understand that such termination must be in writing. I understand and agree that Arbonne may terminate this Program Agreement at any time, with or without reason, without written notification.
- H. For Arbonne Independent Consultants, I understand that the terms and conditions in this Agreement do not supersede or modify in any way the terms and conditions on my Independent Consultant Application and Agreement with Arbonne International, Inc. or Arbonne's Policies & Procedures.
- I. I understand that all products ordered under the Program unless otherwise indicated may be returned according to Arbonne's regular Product Return guidelines then in effect.
- J. I understand that Arbonne reserves the right to modify the Autoship Program at its discretion without prior notice.
- K. I understand that, aside from any Arbonne-instituted termination of Agreement, this Agreement will remain in effect until I either change this Agreement by submitting such changes in writing, or I send, in writing, my cancellation of this Agreement to Arbonne with my signature, printed name, address and social security number (or Federal Tax ID Number if a business). Cancellation will be effective in the calendar month in which it is received by Arbonne, provided that my account has not yet been charged for that month. Otherwise, cancellation will become effective in the month following the month in which my cancellation notice is received by Arbonne.
